Without the flow chart on the Declaration of Ownership and the Licenser's Manual, please refer to the rules and regulations on the title board.

Federal, state and local law require you to state the mileage when transferring ownership if the vehicle is less than 10 years old. It is an offense. Failure to complete this statement or providing a false statement may result in fines and/or imprisonment.

I certify to the best of my knowledge the odometer reading is: the actual mileage of the vehicle in excess of its mechanic limits not the actual mileage. Transfer date: 4/25/16
